POMEROY,

To his friends and the Public!

HAVING purchased the entire interests of my partner in the Mercantile and Slaughtering business, it becomes proper for me to say to the public that I will continue to offer a general assortment of

For sale at my Brick Store in Plymouth, at uniform prices and as low as I can afford, in all cases for ready pay.

Having undertaken the completion of the Plymouth Brick Store, and sold a large amount of goods in time, and believing I have done my share of public improvements, I ask the public to sustain me by patronage, and promise to sell as low as my neighbors—can notage to sell any less. I desire to reduce my business to a cash system. All notes and accounts due the late firm of Pomeroy, Houghton & Barber are now due to me. Payment is requested as soon as possible, as my situation is such as to compel me to collect.

I have just received New Goods, and shall go east to replenish my stock, and make my arrangements for funds to purchase

Wheat, Beef Cattle, &c.
I shall soon be prepared to advance money and goods on Produce. I tender my sincere thanks to the public for the liberal amount of trade and business given me heretofore and hope the same will be continued.

The people of this country have made me what I am, for which I am grateful. I shall keep a general assortment of

DEERHANTISE.
Call and price them, and if you find that I do not deal as fair as others, condemn me, but give me a trial first, and I will risk the result.

Your old servant,
WM. G. POMEROY.

"As if to live for one tranced minute, Within his arms, had pleasure in it."

That's what Tom Moore said about Araby's daughter and her lover, and of course he knew; but he didn't know what we are going to tell YOU—which is, that

J. BROWNLEE & Co.
Are still at "Honest Corner," where they have always been, and are opening a new stock of

Spring & Summer
Clothing

Of quality and price to suit the market, and the tastes and abilities of those who deal in that market. We are intending to make a living as we have told you before, and some profit on our goods, and for that reason our prices are uniform, and as low as can be afforded, and not cheat in quality sold, and we always mean to sell so, and sell articles of the quality we represent—thus keeping pure and consistent the reputation of

"Honest Corner."
Head Quarters, "Regulator," "Shanty," "Bank" Stores and others may blow and strike—tickle you with large pictures of Elephants, crowds of people, &c., and sell you some goods at losing prices, while they skin you alive on others, and they are welcome to their profits and convenience. We will deal fairly with you, tell you the truth, thank you for your custom, wait on you with pleasure, give you a pipe to smoke when you are disposed to sit and chat with us, and send you away satisfied that you have really been dealing at an Honest Corner, and that our stock of

PRINTS, DRESS GOODS, SILKS, LINENS, LACES, CLOTHS, BOOTS, SHOES, LEATHER, HATS, CAPS, GLASS, QUEENS AND HARDWARE, STATIONERY AND NOTIONS

Are as good and as cheap as any other, our terms as reasonable, and our plan, straight forward method of talking and dealing, far better than the noise and smoke made by others, and that you have legitimate dealers and steady business men.

Your Friends,

REMEMBER.

That I am agent for the Franklin Insurance Company, that in answer to a letter of inquiry as to the Responsibility of this Company I, received the following reply

"First. The company has a well invested Capital STOCK of \$200,000—and is managed by a set of business men who fully understand their business, and are known as men of integrity. And second, business is done by them in the most careful manner that can possibly be done and they are doing as large business as any other in the land and we think these things taken together, constitute a good company, if anything can."
